

CISV Canada - National Leadership Training Committee

Hello! It is our pleasure to introduce ourselves to you as CISV Canada's NLTC. Our job is to train all the leaders that CISV Canada sends internationally and nationally every year. We plan and run the national trainings that occur in the spring of each year, and ensure that our training materials are to the current international standards.

2023 National Trainers
*Santana Briggs, Jessica Noble,
Marcel Pennington*

Santana Briggs

Chapter: **CISV Ottawa**

Santana has been in CISV since she was 11, when her neighbour convinced her mother to sign her up for a Village. Over the years, she has done a handful of programs as a delegate and has staffed a Village, Step-Up, and was a Village leader in 2019. Santana is also super passionate about the Junior Branch and loves everything JB!

Outside of CISV, Santana works in clean water policy on boats over 24 meters long (very specific, I know!). She is an avid knitter and loves working with textiles. Next on her list to conquer is spinning and weaving!

Jessica Noble

Chapter: **CISV Victoria**

Jessica discovered CISV in 2014 when a friend mentioned the local chapter was short one leader for a Step Up. Since that first program in Luxembourg, Jessica has led a second Step Up to Hungary, Staffed a Youth Meeting in her home chapter of Victoria, was the Local Leader Trainer, and on the CISV Victoria executive boards. Jessica is very excited to help future leaders fully understand their position and have their best experience possible.

Outside of CISV, you can find Jessica playing ice hockey or in a gym weightlifting. She loves living on Vancouver Island and tries to take full advantage of Island Life by spending lots of time outside in the old growth forests hugging trees and on beaches. Jessica graduated from the University of Victoria with her B.Sc., has a certificate in Leadership and Development and in Project Management, and works in public healthcare management.

Marcel Pennington

Chapter: **CISV Canada (Penticton, BC)**

Marcel was a lucky 11 year old to experience a Village in Spain. Since that first CISV experience he cooked at a Village in Victoria, attended a Step-Up Camp in England, JC'd in Toronto, and led a Village to Iceland. That was a while ago...

Nowadays, he is busy keeping up with his two kids and running an engineering business. Put him on two wheels and you may not see him for a while!

CISV Canada's National Leadership Training Committee is here for you, and values your input.
